4 Bedroom, 3.00 Bathroom, 2,930 sqft

Residential on 0.38 Acres

NOTTINGHAM, Baltimore, MD

Imagine seclusion just off Belair Road. That is what you will find at 4201 Halbert in over 2600 square feet of finished spaces in Nottingham. The recently renovated and expanded kitchen will be the gather spot for holidays and generations to come. There's plenty of space for everyone to help with meal preparation and a built-in desk for homework or work-from-home. The kitchen flows easily to the large ceramic-tiled dining room with entrance to the huge deck where you'll want to spend each evening during the Spring, Summer, and Fall. And look at the yard--there is room for a lacrosse backboard, soccer goals, and a baseball diamond. On the main level also find a home office nook by the front door, a cozy living room, the primary bedroom with large closets, bedroom two, and a full bath. This home has an amazing amount of space. Discover the family room on the second level, where anyone can hang out playing games and having sleep overs. Two more bedrooms and another full bath complete that level. Did I mention the two-zoned central air conditioning? Yup. The lower level is completely finished with a bright perky family room, ping pong or exercise area, and laundry with another full bath. The storage room has cabinets for tucking away tools and paint. And the garage is wonderful. It is over-sized and holds two cars, as well as the entrance into the dining room. Other recent improvements include brand new roof (2025) and windows. Come enjoy.
