DUNDALK HIGHLANDS, Baltimore, MD

If you are looking to live in a classic Baltimore "Charm City" neighborhood, then look no further! This adorable Dundalk rowhome has been tastefully updated while maintaining its classic charm. There is a front porch where you can enjoy a morning cup of coffee while you chat with your neighbors. When you walk through the front door you will be greeted with gleaming hardwood floors and an archway leading into the oversized dining room where you can host holiday dinners. The dining room is opened up to the modern kitchen with granite counters, stainless steel appliances, a custom tile backsplash, ceramic tile flooring, recessed lighting, and miles of cabinet and counter space. Upstairs you will find a sleek primary bedroom with moody dark walls and plenty of space for all your furniture. The lower level is a perfect man-cave or playroom space. There is an additional full bath in the basement as well. This could even be a home office space, craft room, or anything you can imagine.
